Prop 300: State law now requires that a person who is not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. Section 15-1802 or entitled to classification as a county resident pursuant to A.R.S. Section 15-1902.01.

According to state law, a person who is not a citizen of the United States, who is without lawful immigration status, and who is enrolled at any community college under the jurisdiction of an Arizona community college district is not entitled to tuition waivers, fee waivers, grants, scholarship assistance, financial aid, tuition assistance or any other type of financial assistance that is subsidized or paid in whole or in part with state monies.

Retention

To remain in the Honors Program and collecting the fee award students must continue the above cumulative GPA requirements and successfully complete the honors class. Students failing to meet the criteria will be subject to all requirements in force when they are readmitted. We will keep the Honors application active for a period of only two semesters if the applicant has not taken an Honors class.

I have read and understand the various requirements for the Mesa Community College Honors Program. I certify that the information I have provided is accurate.
