

Student Name: _____ Service-Learning Course Name: _____

Service-Learning Reflection Form

Describe the service activities that you are doing.

How have you benefited from your service experience personally and academically?

What have you learned about yourself from your service-learning experience?

What changes would you recommend in how your service site operates, and how the service-learning program functions?

Return this update to the Center for Service-Learning,
Mesa Community College 1833 W. Southern Avenue Mesa, AZ 85202

What was the most challenging thing that happened to you so far? What did you learn from the experience?

What are the strengths, assets, gifts of the community in which you serve?

Please Provide Testimonials (quotes or stories) from your service that illustrates your impact on the organization where you serve

Rate yourself from 1 (low) to 10 (high) for your performance.

Why did you rate yourself the way you did?
