

## Career

### **YOUR PERSONALITY STYLE AND ITS IMPACT ON YOUR LIFE**

Not surprisingly, your personality style and your general success in life go hand-in-hand. If your personality and behavioral needs are not met, your ability to access success, in both relationships and career goals, may elude you. Join this one-evening workshop and you will be amazed at the “AH-HA” experience. During this session you will be able to take and interpret the Personality Profile with guidance from a professional trainer. Learn about the four basic behaviors integral to all self-structures and how the dominant patterns you possess connect, to direct you to the better life settings. Understanding your own personality needs can allow you to make better choices to improve your relationships with co-workers as well as with other more personal relationships.
