Where Business Begins

The Green Flag Mesa Business Center is a unique partnership between the Mesa Chamber of Commerce and Mesa Community College, established March 2017.

Mission: Green Flag Mesa Business Center provides knowledge and resources to assist student startups in becoming self-sufficient within their first two years.

Vision: To make successful entrepreneurship available to everyone!

The Green Flag Mesa Business Center is a business development center, providing students with professional mentoring, office space, equipment, and the knowledge resources needed to launch and maintain a new business venture.

In this partnership, Mesa Community College students will work in space provided by the Mesa Chamber of Commerce and have access to the business knowledge, experience, and the networking opportunities of Chamber members.

A three-phase business development program

Prelaunch - assistance with writing a business plan, learning to do adequate research, determining a target market, enrolling in appropriate classes

Launch - filing your paperwork to get the business officially started, establishing residency at Green Flag

Build your business - building the business to profitability and independence

What will The Green Flag Mesa Business Center do for you?
