TOTAL UNITS = 128

MATH 124 is a 5 unit version of MATH 125. Students taking MATH 124 should consider delaying the Tier 1 INDV course to maintain a reasonable academic load.

* INDV/TRAD/Art/Hum courses must meet University general education requirements. One course must be recognized by the University as focusing on non-western culture, race, gender or ethnicity. TRAD 101 satisfies this requirement.

** Students may elect to take MSE 110 (4 units) in place of Chem 152.

***Technical electives are 400 level AME courses chosen by the student in consultation with a faculty advisor. Students are strongly encouraged to take at least one technical elective course with design content.
