Essentials of Human Communication
Chapter #6 Quiz
“Interpersonal Communication, Conversation & Relationships”

On the last day of each week, Mr. Peterson will call randomly on two or three class members to respond to one of the week’s quiz questions orally in class. You will not know who will be called upon or what question they will be asked to respond to. Your quiz grades will be determined by how well you answer and respond publicly to the questions posed to you. You will be required to respond twice during the semester. Be prepared each week; you do not know when you will be called upon.

Possible Chapter six quiz discussion questions:

1. Briefly identify and explain the five steps of the conversational process.

2. What are the textbook’s stages of the relationship development model?

3. What are the advantages and disadvantages of workplace romances?
