

Mesa Community College
Mat 150 College Algebra
Section #1914
Summer, 2007

Instructor: Mr. David Schultz
Office: MC 187 message 480-461-7847
Office Hours: MTWR 11:10 – 12:10
Location: MS 114
Days/Time MTWR 9:10 – 11:10
Start Date: 5/29
End Date: 7/19

Required Text: College Algebra: Concepts Through Functions, Custom MCC edition, by Michael Sullivan: ISBN#: 0-536-31709-7

Prerequisites: Grade of “C” or better in MAT 120, 122, or satisfactory score on placement exam.
Graphing Calculator is Required.

Attendance: Any student who misses (3) or more class periods may be withdrawn from the class and will earn a grade of W, Y, or F. If you must miss a class, make sure you leave a message for me at the number or email listed above. All absences that are not official absences as defined in the Student Handbook will be considered “unexcused”. No exceptions.

Tardies: I expect you to be on time with all necessary supplies (book, pencil, paper, and calculator). Attendance will be taken in the first 5 minutes of every class. Two tardies constitute an absence due to their disruptive nature. Leaving the class early will be considered a tardy.

Homework: Homework will be collected and graded daily. I will grade 5 problems which are designated in bold on the assignment sheet. There are no make-ups on the individual assignments. I do not except late homework.

Cell phones are strictly prohibited. We will have a 5 minute break at 10:00 each day.

Tests: There are 6 exams plus a Final exam. Make-ups are granted only in extreme cases for official absences only. No exceptions!

Dishonesty: Dishonesty of any kind will result in no credit given for the work and you will be subject to any school policies as outlined in the student handbook.

Semester Exam: The semester exam is cumulative in nature and it must be taken at the assigned time.

Grading Scale:

100% - 90%	A
89% - 80%	B
79% - 70%	C
69% - 60%	D
59% - 0%	F

Grading Weights:

Homework	25%
6 Chapter Tests	60%
Semester Exam	15%

Note: Refer to the student handbook for other grading options.
